

LAVENDER POT

Crochet pattern by Sen handmade

Hello, my dear friends!!!

Thank you for choosing my pattern. I did my best to describe in details all the stages of the lavender pot. There are a lot of photos as well as step-by-step instructions and a list of materials required. I hope you will have pleasure both from the process itself and from the result. I would love to see with my own eyes and show your works with my pattern to my subscribers. Please don't sell and share this pattern. If you have any questions, please feel free to contact me, I will be happy to help you. My contact for question:
